1000 Books Before School is an early literacy program aimed at infants and preschool children to encourage a reading habit and love of stories in young children.

This reading record encourages you to keep track of the number of books read to your child and celebrates milestones along the way.

Each time a book is read to a child – at home, at a storytime or anywhere – note it in the record. When a reading milestone is reached, you'll find a certificate of achievement, which you can bring into one of our libraries for special recognition by Stonnington library staff.

CHILDREN'S SERVICES

Our libraries provide services, programs and collections to encourage a love of stories and reading, and develop pre-literacy skills in young children.

WHAT'S ON

Rhymetime: Experience an interactive and rollicking session of rhymes, songs and finger play. This program is ideal for children aged 0 to 2 years, and their families.

Storytime: Share the delight of stories, songs and picture books with your pre-schooler. This program is ideal for children aged three to five years, and their families.

Stories and songs: Enjoy an energising session of popular and classic children's stories and songs. This program is suitable for children aged 0 to five years, and their families.

CHILDREN'S COLLECTIONS AND MEMBERSHIPS

Children can join the library (with parent or guardian approval) and receive their own membership card. They can borrow up to 50 items from the collection for up to three weeks (items in high demand have two week loans).

KIDS' ELIBRARY

Discover a range of online resources for children, including storytimes, streaming films and early learning tools in our Kids' eLibrary.

CREATE, EXPLORE, PLAY! AT HOME

Enjoy crafty pursuits, STEAM activities, puzzles, games and more from the comfort of home.
